**2016-2017 Arts Commission Goals & Accomplishments
Reflection - June, 2017**

How well did we connect the arts with the community?

Which efforts were most successful? Why?

What efforts were less successful? Why?

Did we use our resources wisely (in ways that supported our efforts)?

What areas of the arts, part of the community, may be underserved in our efforts?

Poet Laureate now part of the arts "fabric" of the community.

Capacity building - social media, partnerships, ordinance, emerging cultural tourism, other?

Donations - Mellion, Cole, Salata

Best thing about our meetings? Areas for improvement?
