

*Norwalk Harbor Management Commission
Application Review Committee Meeting
Wednesday, January 26, 2022
6:00 p.m.
Zoom.us Webinar Conference*

1: 9 Twilight Place, Norwalk, CT 06854, CAM Application: The proposed project shall replace a non-flood compliant single family dwelling with a FEMA and NFIP compliant single family dwelling that will be constructed with flood resilient methods and materials following best practices. The proposed dwelling will be built above the 100 year flood -2-elevation. A silt fence will act as a barrier to protect waterfront from all construction activity. Project will involve minimal change to existing grade contours and drainage patterns, installation of new storm water management system, and construction of new dwelling above flood plain.

2. Open discussion on the Norwalk Harbor Management and Shellfish Commission's petition for the Public hearing on the Walk Bridge Project.

Standing Action Items: Open discussion of future Walk Bridge proposals regarding placement of transmission cables by Eversource and DOT, DOT's plans for stationing work barges in Norwalk Harbor; DOT's plans to monitor water quality, and bulkhead construction at proposed South Water Street staging properties.

John Thomas Pinto
Chairman, Application Review Committee
