

Minutes

Norwalk Bike/Walk Task Force

3/2/15, Health Department, 7 PM

Present: Peter Libre, Tilly Hatcher, Nancy Rosett, Tim Callahan, Kaitlin Latham, Jud Aley, Mike Mushak, Larry Cafero (GGP), Doug Adams (GGP)

1.) **Minutes for Feb. 2nd mtg approved**

2.) Discussed bike/ped connectivity of proposed mall with GGP representatives Cafero and Adams. Two plans presented and discussed, one from GGP and one from the Task Force, both showing bike lanes on West Ave. The Task Force plan had green painted bike lanes and “bike boxes” shown that the GGP plan did not have, and both plans were compared and pros and cons discussed. **GGP took the Task Force plan to show to the GGP engineers.**

3) Discussed potential benefits to Norwalk bike and ped planners using Strava data from company that presented at the Feb 2 mtg., and we decided we can use the data at some point but if State of CT purchases it as the company owner suggested they may, we will wait for that to happen as it might be available to us free of charge from the state. **No action needed.**

4.) City_Wide Bike Plan shown by Kaitlyn, and discussed with request made for parks to be shown in green to improve graphic clarity. Kaitlyn said she would make that request of DPW, and we all agreed that we need to see the plan on the website as soon as the changes are done by DPW. **Plan to be revised again and then IT Department will be requested to help publish plan on website when those changes are made.**

Meeting adjourned at 9:15 PM.
