

Snow Plowing Operations and Parked Vehicles

The greatest hindrance to efficient snow removal is vehicles that are parked on the street. Vehicles parked on the street significantly and negatively impact the city's ability to clear snow and ice from the streets. We are requesting your assistance to move your vehicle from the street during every snow event so that we are able to plow and open the road for emergency responders. If your vehicle prevents us from being able to clear the street of snow for emergency responders; you may be subject to ticketing and towing. Thank you for your help and cooperation in this matter.

Some of the more difficult streets to plow due to parked vehicles are:

Aiken Street	Gibson Court	Lincoln Avenue	Quaker Road
Allview Avenue	Glasser Street	Lobrano Street	Reynolds Street
Armstrong Court	Glendenning Street	Lorena Street	Ridge Street
Assisi Way	Godfrey Street	Merideth Court	Rocky Point
